EDUCATION

B.E COMPUTER SCIENCE AND ENGINEERING

PSNA College of Engineering and Technology, Dindigul

11/2021 - Present

7.83 GPA

Higher Secondary Education

St. Mary's Higher Secondary School, Madurai

05/2019 - 05/2021

87%

Secondary School Education

St. Mary's High School, Michaelpattanam

05/2018 - 04/2019

83.8%

PERSONAL PROJECTS

Cryptography and Blockchain Mechanism (11/2022)

- I developed a mechanism in order to protect Online Bank Transactions in order for safe and secure Transactions
- In order to achieve this I used various kinds of encryption mechanisms to prevent the data breach
- With this project people's data remains safe using the techniques of Cryptography and Cyber Security

Personalised Learning Application

- I created a personalised learning application where users can upload and watch other person's teaching
- Folks can use this app to enrich their knowledge and can excel their knowledge and can also pursue their career in teaching
- Framework: Flutter
- Programming Language: Dart
- Database : Firebase Console

SKILLS

Personal Skills

Leadership skills, Problem Solving, Ability to adapt to surroundings

Coursework

DBMS, Data Structures and Algorithms, Object Oriented Programming, Operating Systems

TECHNICAL SKILLS

Firebase

MongoDB

Python

Flutter

SQL

Java

C

HTML

CSS

COMPETITIONS ATTENDED

Hack-O-Holics (12/2022)

Attended a Hackathon in Hack-O-Holics conducted by Department of Computer Science and Engineering of St. Joseph College of Engineering and Technology, Chennai

WORKSHOPS ATTENDED

Flutter Workshop

Participated in a 5 days Flutter workshop and developed a series of Applications and widely enhanced my knowledge in the field of App Development.

Mobile Security Workshop

Participated in a 1 day workshop and widely enhanced my knowledge in the field of Mobile Security

CERTIFICATES

SQL (02/2023)

Completed a SQL course on skillrack

Flutter (11/2022)

Claimed a Workshop Certificate after 5 days workshop conducted by Flutter Workshop

Participation in Hack-O-Holics

Attended a Hackathon in Hack-O-Holics and claimed Participation Certificate for reaching final round in the competition

LANGUAGES

English

Full Professional Proficiency

Tamil

Native or Bilingual Proficiency

INTERESTS

Problem-Solving

Online Learning

App Development

Web Development

Cyber Security

Blogs or Technical Writing
